EXPLANATION TO COUNCIL BILL NO. 2008-_____

ORIGINATING DEPARTMENT: Public Works

PURPOSE: To authorize the City Manager or his designee to accept a donation from Prime, Inc. to accelerate street widening improvements on Mayfair Avenue from Route 744 (Kearney Street) to its northern terminus, as shown on **Exhibit A** attached hereto and amending the budget for 2008-2009.

BACKGROUND INFORMATION: Prime Inc. would like to accelerate street widening improvements on Mayfair Avenue, north of Route 744 (Kearney Street) to enhance motorist safety for the public and their employees and visitors that come and go from their headquarters located at the north end of Mayfair with this contribution. The City has prepared construction plans (8PW6099) for widening the roadway from 20 feet to 26 feet to better accommodate all vehicular traffic, including tractor trailer units. Prime, Inc. has offered to donate funds in the amount of \$30K to accelerate this improvement.

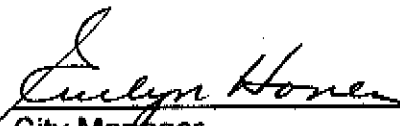

REMARKS: This project will greatly enhance motorist safety for the public-at-large and Prime, Inc. along this segment of Mayfair Avenue, which is particularly difficult during inclement weather conditions. Public Works recommends approval of this donation and the attached budget adjustment.
